MEMORANDUM FOR MR. ROSTOW.

I thou ht you should se aware of the attach d report (6)

The intelligence people (and I) vould tend, at this point, to lean more towards this being an exercise that an actual combat status for the Czech units involved. We had indicate no last week that some Czech Army units were planning to particip te in an exercise be inning today and lasting through Saturday.

Of course, we are covering all bets and thempting to get as much information on this as possible through all changes.
